

THANK YOU FOR A GREAT YEAR!

Rebate on your 2023 service charges

PATRONAGE REBATES

Provincial Credit Union's Board of Directors is pleased to announce that they have approved a payment of patronage rebates to members for the 2023 fiscal year.

PROFIT SHARING

The payment of Patronage Rebates is a form of profit-sharing unique to co-operatives like credit unions. It's a way for the credit union to share the profits that the Board, in their sole discretion, may choose to return to the membership on an annual basis.

\$1.1 MILLION

In 2023, members will have earned a rebate based on the service charges paid on their personal chequing (spending) accounts. Patronage Rebate payments will be made to personal chequing (spending) accounts in April for a total of \$1.1 million being returned to our membership.

DEPOSIT

Funds will be automatically deposited into member chequing (spending) accounts by April 3, 2024.
